Thank you. We do not have a trial date as of yet, but this case is on for status next week. I don't anticipate selecting a trial date at that time, but if we do, I will notify you promptly.

Thanks, Jessica

Jessica,

Please be aware that the laboratory needs 30 days after the date of resubmission at this time to complete analysis. If you have a trial date that would be helpful information as we try to triage samples going forward. Please do not hesitate to be in touch with any questions.

Thank you,

Hi,

I have recently be assigned to the above referenced superior court case. There are three drug certs in relation to this matter. All three certs were conducted by Annie Dookhan, and I am asking that the drugs be retested. I have asked the New Bedford police department to resubmit the drugs.

Please feel free to contact me with any questions you may have.

Thank you,
Jessica
